

SETTLERS PRIMARY SCHOOL SCHOOL BOARD

Call for: PARENT REPRESENTATIVE to the School Board

Dear Parents and Caregivers,

Settlers Primary School is an Independent Public School and operates in accordance with the provisions set out by the Education Department of Western Australia. Parents form the majority representation on the school board. Parents are required to be formally elected to board positions. The board meets four to six times a year after school and undertakes responsibilities in school governance.

All parents and primary carers of students who are enrolled at Settlers Primary School are eligible to nominate for a board position in this category. Details of the Board's Terms of Reference and Code of Conduct are available on our website <http://settlersps.wa.edu.au/our-school/school-board/> or can be obtained by contacting the office.

The School Board is calling for nominations from parents/caregivers to fill a Parent Representative vacancy on the board. There is currently one vacant position: for a three-year tenure. Interested parents are asked to return the attached nomination form completing the Skills and Attributes summary to the school by close of business 3pm on Monday the 15th of February 2021.

In the event of receiving more nominations than positions a vote will be called for from the school community. The nominee skills and attributes information would then be provided to parents to support a first past the post-election.

Parents who would like additional information on the role are asked to contact the Principal.

Nominees are asked to complete the attached nomination form. Nominations should be sealed in an envelope and addressed to:

School Board Returning Officer
