

Faction Shirt Update

5/08/22

Dear Parents and Carers.

As you may know, the school is currently working towards a new set of designs for our Faction shirts that incorporate both Noongar Language and art. Whilst the design phase of this process is now complete, the School and Department continue to work towards ensuring the broader licensing agreements surrounding the use of artwork are applied with a long-term vision for the school.

Unfortunately, this means that it is unlikely that our new shirts will be available to purchase before 2023.

With our upcoming Faction Carnivals in Week 1 of Term 4, we understand that parents are proactive and eager to have their children wearing the appropriate faction colours on the day.

The following options are available, in preferred order.

1. There is limited stock of the current faction polos available for sale at the Nell Gray website or store. Please be aware that stock may not be available in all sizes and colours.
2. A plain, coloured polo top from a local store.
3. School uniform
4. A plain coloured T-shirt in faction colours (please no large logos, or images)

We understand that the process for new faction shirts has been longer than anticipated, we're working tirelessly to ensure they are both of high quality and appropriately procured.
