

Principal's blog

Week 3 October 24-28

This Week

Term 4 is always a busy one, and we're off and racing here at Settlers.

There's so much on this term! It's an exciting time for both students and adults around the school. As a grown up in the school community it can be a little bit hard to keep track of all the things that are happening. We encourage all parents to continue to access things like our School Website, Facebook page, this blog, and our term planners to ensure they are as up to date as possible. Don't forget you can always reach out to the school office, or your student's teacher, for more information if required.

One of the most exciting events we have coming up is our annual Colour Run. This PnC lead, fundraising event is an awesome day for both kids and adults. We encourage all students and families to get involved, raise some money and be in the running for some exciting prizes, including the chance to win a brand-new scooter and helmet donated by the Member for Baldivis, Mr Reece Whitby. Events like the Colour Run are a great chance to work with your child and teach them the value and rewards of fundraising for a cause.

Parents are more than welcome at the Colour Run! We hope to see you all there on Friday November 4.

Mr P

- **26 October** - E4 Assembly

- **4 November** - Colour Run
- **10 November** - School Production
- **11 November** - BASSA Athletics

Around the School

Student Art

Settlers Primary are proud to have an entry into the annual Rockingham Castaways Sculptures Awards for 2022. The students and teachers have worked together in creating an art piece named 'Reduce, Reuse, Recycle and Ride! Each child decorated their own feather made from recycled milk bottles and our wonderful teachers helped make them into feathers by cutting the edges! The feathers have been placed onto a recycled bicycle wheel! The aim is to inspire people to recycle for a sustainable future as birds feathers are used to protect and to share messages! The exhibition is being held from the 22nd to the 30th October on the Rockingham foreshore.

Zoo Trip

Students from B1-B4 along with an excited group of staff and parent helpers visited the Perth Zoo on Friday. Huge amounts of fun and learning were had, with students spending a beautifully sunny day exploring the grounds. Our students, as always represented the school with pride.
